Reminders

- We have had a couple of near accidents on Albany Avenue between cars and pedestrians/cyclists - please be considerate when dropping off and picking up. The safety of our children is our absolute priority - do not park on zigzags or yellow lines.

International Mother Language Day

Following the success of last year's Mother Language Day we decided to repeat it! This time the children read stories in classes in their mother language. We had Elmer read in Polish and stories read in Mandarin Chinese, Russian, Tamil and Italian. We were so proud of all of our children they were amazing and so proud of their language identities.

Honesty

This half term's value has been Honesty. Well Done to all of our winners!

Eurovision Egg

We are so proud to have been selected as one of seven schools across the Liverpool City Region to create a pysanka egg, to commemorate Liverpool hosting the 2023 Eurovision Song Contest. As you will be well aware, this year's Eurovision should have been held in the Ukraine but will now be held in Liverpool. The children in school worked with artist, Ruta Staseviciute, in a series of workshops to produce artwork which was then used as part of the final egg design. The eggs are on display in Liverpool 1 until May. We would love you to tweet us a selfie if you have been to visit it!

James Ketchell - Explorer

In March, we were lucky enough to have a real life explorer come into school to speak to us. His name was James Ketchell and he inspired us with his adventures, summiting Everest, rowing the Atlantic Ocean and cycling 18,000 miles around the world! He showed us his equipment and talked to us about pursuing our dreams and goals!

Awareness Days

This half term, we have celebrated difference in our school and raised awareness of several different conditions. These awareness days have included 'lots of socks' for Down Syndrome, purple for Epilepsy and 'going' blue' for autism. We have also discussed these conditions through assemblies, books and learning in class.

Attendance

Well done to all of our termly 100% attendance winners - we had lots of children who won Silver Awards for being in school every single day since September. Our attendance in school has been really good over Spring 2 and we have almost hit our annual target of 96%! Please remember, that holidays taken in school time will not be authorised.

PTA News

Another brilliant half term of events. We have had PTA Easter Bingo and Raffle and celebrated Mothers' Day with flower arrangements. We are looking forward to the upcoming pyjama parties and the return of ELE FEST in July!
