

## Open-Ended Questions

1. Name three things that the children enjoyed about the volcano exhibition.
2. What did Seb become known as, in the newspapers?
3. Why are the scientists no longer able to run The Volcano Experience?
4. Why was Maxim so pleased that tourists were still interested in the volcano?
5. *"I think you'll agree this is an amazing exhibition, but we want to create something that's even bigger and better, an awesome experience that will take visitors into the heart of an erupting volcano. We want your school to be involved, to help us develop it. Perhaps you could come up with ideas for interactive games and trial them, that sort of thing. Would you be interested? It could be part of your science studies."*

Describe a game that would work well in Maxim's new volcano exhibition.
