### National School Sports Week

As a school, we are preparing to join the Youth Sport Trust and Sky Sports to help young people and families up and down the country engage in a week of virtual sporting challenges.

With pupils set to miss out on their main school sport day this summer, the Youth Sport Trust is taking its' annual 'National School Sport Week' campaign beyond the school gates to parents and families - reinvented as 'National School Sport Week at Home'. Taking place from 20<sup>th</sup> to 26<sup>th</sup> June, the UK-wide campaign will give families the chance to capture the enjoyment, competition and camaraderie they have been missing out on during weeks of school closures and social distancing.

With social distancing in place, pupils and staff will be taking part in the week by completing a number of at home challenges as well as a daily personal challenge. The personal challenges are outlined below and each will have more detail on your daily home learning sheet. There is also a booklet of ideas for the children to choose a home challenge which they can enjoy with family on our school website in the news section.
