Key Stage 2

Progress Measures KS2

	Score 2019	Score 2018	Confidence Interval
Reading	-0.4	-0.17	-2.4 to +1.6
Writing	-0.1	-0.07	-2 to +1.8
Maths	-0.8	-3.1	-2.6 to +0.9

**School scores should be interpreted alongside their associated confidence intervals. If the lower bound of the school's confidence interval is greater than zero it can be interpreted as meaning that the school has achieved greater than average progress compared to pupils with similar starting points nationally.

Eccleston Lane Ends Primary School 2019 Data

Similarly, if the upper bound is below zero, then the school has made less than average progress. Where a confidence interval overlaps zero, this means that the school's progress score is not significantly different from the national average.
